Example of Countertop Drawing and Measurements

Sketch your countertop layout on the back of this sheet and indicate the measurements in inches.

Indicate the approximate location of cut outs for under-mount or drop-in sinks, drop-in cooktop, etc.

Indicate backsplash location if you would like one.

Bring this sheet to Select Surfaces or email it to CustomerService@SelectSurfaces.com to get your estimate.

Please contact a Select Surfaces Countertop Specialist at 651-483-1576 with questions.

Final purchase price of your countertop will be determined after the on-site measure.
